C.

The examination in cases.

The record of a case such as ordinarily comes before a Canal officer exercising magisterial powers will be selected by the President of the Examination Committee. The record of the case should consist, as far as possible, of documents recorded in the Court vernacular of the place in which the candidate is employed. The case should not be of special difficulty, and, in selecting it, it should be remembered that officers will only exercise magisterial powers under Bengal Act, III of 1876 (Bengal Irrigation Act).

The record will be read out to candidates by an Indian official. Where possible, the case will be read to each candidate separately, or to small batches. The candidate must write his notes of evidence as the reading proceeds, as he would do were he actually trying the case. At the conclusion of the case the candidate, who may refer to his books, must write (Europeans in English, natives of India in Hindustani, Bengali or English, as they

prefer) a judgment on the question or questions at issue, with a statement of reasons. The Examination Committee will merely state their opinion on the merits of each candidate's judgment and not transmit this part of the proceedings.

Officers will be allowed to pass separately in either of the papers A or B or in the case C. Passing marks in each subject will be 50 per cent.

4. The following table shows the particulars of marks assigned to each subject and the time allowed:—

SUBJECTS OF EXAMINATION.			Maximum marks.	Pass marks.	Time allowed.
Law papers "A"	120	60	3 hours.
Do. "B"	120	60	3 do.
Examination in cases	120	60	To be determined by the Local Examination Committee.

Examination in Vernaculars.

5. Subject to the proviso that no Indian member of the Indian Service of Engineers is liable to examination in a language which is his own vernacular, officers of the Roads and Buildings and Irrigation Branches of the Public Works Department are required to pass an examination in Bengali by the Lower Standard within two years of joining their appointments in India. They are also required to pass an examination in Hindi by the Higher Standard by the colloquial test within four years of joining their appointments in India. If they fail to do so their increments of pay will be withheld till they pass the examinations.

Officers may also, if they so wish, go up for the Higher Standard examination in Bengali within five years of joining their appointments in India.

On an officer passing the language examination the fact should be noted in the Classified List appropriate letters being placed against his name.

6. Officers of the Roads and Buildings and Irrigation Branches of the Public Works Department, who pass the Lower Standard examination in Bengali within the time prescribed, namely two years, are entitled to a reward of Rs. 80.

Those who pass the Higher Standard in Hindi by the colloquial test within four years are also entitled to a reward of Rs. 80.

Those who pass the Higher Standard in Bengali within five years are entitled to a reward of Rs. 120.

Indian officers are eligible for the same reward for passing in a compulsory examination in a vernacular language which is not allied to their mother-tongue.

7. Two grades of examination in Bengali are recognized, viz., (I) the Higher Standard and (II) the Lower Standard.

8. The examination specified in grade I above, and the Lower Standard examination specified in grade II above, will be held under the direction and control of the Central Examination Committee.

9. The following are the tests prescribed for the two grades of examination:—

Grade I.—The Higher Standard of Departmental Examination.

A.—Dictation. A passage from some official paper in Bengali will be read out to the candidates by a Bengali, and they will be required to write it down in Bengali characters with fair accuracy.

B.—A written translation from the vernacular into English.

The paper should contain passages from an unseen official document.

C.—A written translation from English into the vernacular—

A brief passage from an English judgment * or other official document of a somewhat difficult nature, selected by the Central Examination Committee, shall be translated into the vernacular by the examinee without assistance and in a generally correct manner.

* "The judgment or other official document" will, if possible, relate to matters with which officers of the Public Works Department are likely to have to deal.

D.—Vivā-voce examination in the vernacular—

(i) The examinee shall be tested in conversation with several Indians of various classes in such a manner as to satisfy the Examination Committee of his power of making himself understood by them, and of explaining himself with clearness and sufficient propriety in the vernacular in an argument or topic of some difficulty.

(ii) The examinee will be called upon to read with fair fluency and explain in English to the Examiners three papers written by different persons in a plain running hand.

NOTE.—It is not necessary that each candidate should translate the same piece, just as it is not necessary that the *vivā-voce* examination of each should involve the same conversation.

10. The maximum and the pass marks assigned to each branch of the examination and the time allowed for the papers are subjoined :—

SUBJECTS OF EXAMINATION.					Maximum marks.	Pass marks.	Time.
A.—Dictation	20	10	$\frac{1}{2}$ hour.
B.—Translation from Vernacular	20	10	2 hours.
C.—Ditto English	20	10	2 do.
D.—(i) <i>Vivā-voce</i> Examination	20	10	15 minutes.
(ii) <i>Ditto</i> ditto	10	5	

Grade II.—The Lower Standard of Departmental Examination.

11. For this examination the test shall be the same as the above, but the papers shall be less difficult. The proportion of marks to be obtained in order to pass, and the time allowed for the papers, shall be the same as for the Higher Standard above described. The principal object of this examination shall be to test the proficiency, for practical purposes, of the examinee in such language.

12. No Indian officer (these rules notwithstanding) shall be liable to examination in a language which is his own vernacular. The Superintending Engineer in submitting the lists of intending examinees to the Chief Engineer will consider each case, and, on satisfying himself, may exempt the candidate from examination in such language, reporting the reasons for doing so to the Chief Engineer.

13. Assistant Executive Engineers on first employment should be posted to such duties as will afford them the experience of work necessary to enable them to pass the examinations laid down in the preceding paragraphs. Cases may, however, occur in which, owing to the exigencies of the public service, illness, or want of time, or opportunity for convening a committee, an officer may not be able to pass the examinations in question within the prescribed period. In such cases an officer may, at the discretion of Government, be afforded a reasonable extension of time up to a limit of one year, and if he passes within this further period no penalty should be enforced and he may be granted by Government the reward admissible for passing the compulsory vernacular test within the prescribed period. In the event of an officer failing to pass the examinations within the extended period his increments should be withheld, and arrears of increments so withheld should not, on his passing the examinations, be granted to him except in special cases when his failure to pass has been due to circumstances beyond his own control. Failure to pass the examinations within the prescribed period will not, however, affect the amount of an officer's salary when he has subsequently passed the examinations and he will then be entitled to the rate of pay corresponding to the length of his service.

An officer of under 12 years' service who is transferred from another province where a different vernacular is current from the one prescribed for Bengal to this Presidency, may, at the discretion of Government, be required to pass the Lower Standard in Bengali within two years and the Higher Standard in Hindi by the colloquial test within four years of such transfer; and should he fail to do so he will be liable to the loss of further increments until he has passed.

to the Government of Bengal.

MISCELLANEOUS.

No. 2928 Mis.—The 16th September 1922.—In exercise of the powers conferred by sub-section (1) of section 12 of the Bengal Amusements Tax Act, 1922 (Bengal Act V of 1922), the Governor in Council is pleased to make the following rules for securing the payment of the entertainments tax in respect of entertainments other than race meetings, namely :—

RULES.

1. Except as is provided by these rules no person shall mark, or cause to be marked, in any manner, any stamp referred to in clause (a) of section 4 of the Bengal Amusements Tax Act, 1922.

2. No person shall purchase any such stamp except from a person duly appointed to sell and distribute stamps, or duly licensed to deal in stamps :

Provided that nothing in this rule shall apply to a person purchasing such a stamp affixed to a ticket for the purpose of being admitted to an entertainment.

3. The proprietor shall not issue, or have in his possession at the place of entertainment, or at any place whereat tickets for the entertainment are sold, any ticket being a ticket authorising or intended to be issued for the purpose of authorising any person to be admitted to an entertainment, unless the price of admission and the statement required by this rule are legibly printed, stamped, or otherwise marked on the ticket.

For the purpose of this rule, price of admission means the price exclusive of the entertainments tax, and there shall be printed on every such ticket as aforesaid a statement that the price printed thereon in accordance with the requirements of this rule excludes the entertainments tax.

4. The proprietor shall not issue to any person a stamp referred to in clause (a) of section 4 of the said Act otherwise than securely affixed to a ticket issued for the purpose of authorising admission to the entertainment.

5. The proprietor shall not, on any payment for admission to the entertainment being made, issue in respect of that payment any ticket authorising admission to the entertainment other than a ticket to which is affixed a stamp denoting the proper amount of entertainments tax chargeable in respect of that payment ; provided that this rule shall not apply in any case where the proprietor of the entertainment has made arrangements for furnishing returns of the payments for admission and has given security to the satisfaction of the Local Government for the payment of the entertainments tax.

6. (1) Subject to the provisions of these rules, the proprietor shall not deface, cut, tear or diminish any stamp affixed to a ticket and denoting the proper entertainments tax payable before the ticket to which it is affixed is issued, or admit any person to an entertainment with a ticket bearing a stamp which has been defaced, cut, torn or diminished.

(2) No person being a holder of a ticket to which a stamp is affixed issued for the purpose of authorising admission to an entertainment shall deface, cut, tear or diminish the stamp.

(3) The proprietor shall collect the tickets of all persons about to be admitted to the entertainment, and every person about to be admitted by means of a stamped ticket shall immediately before admission to the entertainment deliver the ticket with the stamp attached to the person who is collecting the tickets.

(4) When a ticket is so collected, the proprietor shall forthwith deface the stamp on the ticket by tearing the ticket into two portions across the stamp and shall return one portion of the ticket to the person to be admitted to the entertainment, and shall retain and keep until midday following the conclusion of the entertainment the other portion thereof, and shall then destroy it.

7. (1) Where the proprietor issues any ticket purporting or intended to authorise the admission to the entertainment of more than one person, he shall cause the ticket to be clearly marked with the number of persons so authorised to be admitted and the total price charged for the ticket, and he shall not admit to the entertainment by virtue of that ticket a greater number of persons than that marked on the ticket.

(2) For the purpose of calculating the entertainments tax chargeable in such a case there shall be deemed to be as many payments for admission as there are persons authorised to be admitted under the ticket, and each of these payments shall be deemed to be equal in amount to the total price charged for the ticket divided by the total number of the persons so authorised.

8. (1) Where the duty is calculated on a lump sum paid for a season ticket, or for a ticket authorising admission to any entertainment, during a certain period of time, the proprietor shall before issuing the ticket mark it with the name of the person to whom it is to be issued.

(2) Unless the proprietor of the entertainment has made arrangements approved by the Local Government for furnishing returns of payments for admission and has given security to their satisfaction for the payment of the entertainments tax, he shall, before issuing any such season ticket as aforesaid, affix thereto a stamp denoting the proper amount of entertainments tax chargeable thereon and shall deface the stamp by writing in ink on the face thereof the date of issue of the ticket, and any such stamp shall not be required to be defaced at the time of admission to the entertainment in the manner prescribed in sub-rule (4) of rule 6.

9. The proprietor shall not admit any person to the entertainment without any payment, unless that person is the holder of a ticket or document entitling him to be admitted without payment and clearly marked "complimentary" or "free" or a badge recognised by the proprietor as entitling the holder thereof so to be admitted. No person shall enter or otherwise obtain admission to an entertainment without payment unless he is the holder of such a ticket, document or badge as aforesaid.

10. Any reference in these rules to admission to a place of entertainment or to a person admitted to a place of entertainment shall be deemed to include a reference to the admission to another part of the place of entertainment, for admission to which part a payment involving payment of entertainments tax or more entertainments tax is required of a person who has been admitted to one part of that place of entertainment and to such a person admitted to such another part of the place of entertainment, and these rules shall have effect accordingly.

11. The Local Government may, for the protection of the revenue, require a proprietor to keep registers of payments for admission and records of stamps denoting the entertainments tax purchased and used, in such form as they may prescribe, and to issue tickets in such form and manner as they may prescribe; and it shall be the duty of the proprietor to comply with such requirements.

12. (1) The proprietor shall at all reasonable times on demand by any officer appointed by the Local Government in this behalf produce to that officer all books and records kept by the proprietor in connection with any entertainment and all tickets and all portions of any tickets and all stamps for the time being in his possession, and shall allow the officer to inspect and take an account of the same or to remove the same for the purpose of examination or inquiry.

(2) A person who has been admitted to an entertainment in respect of which the proprietor has not made arrangements approved by the Local Government for furnishing returns of payments for admission, and giving security to their satisfaction for the payment of the entertainments tax, shall upon the demand made during the course of, or immediately before, or after the entertainment, produce to any officer appointed by the Local Government in this behalf the ticket, badge, card of admission, voucher or document by means of which he was admitted or a portion of the ticket by means of which he was admitted, bearing a stamp defaced in accordance with sub-rule (4) of rule 6.
